

Radical? – Illegal? – Indifferent?

The Contact Point for Radicalisation offers low threshold support and advice in issues concerning radicalisation, violent extremism and the prevention of violence.

Our services are aimed at the population of Basel and people from the school, youth and social work, vocational education, sport and leisure sectors.

Our goal is to recognise violent and extremist attitudes at an early stage, offer suitable assistance where necessary and to support those affected in an advisory capacity.

Do you have a bad gut feeling? Contact us:

Telephone 061 201 77 11
→ Information and advice in German and English
→ In case of immediate danger always call 117 directly

Email kapo.ar@jsd.bs.ch

Opening hours Monday to Friday from 8:00 to 17:00
